Bodrum

Bodrum greets you with its civilization of white houses thoughtfully placed near the shimmering waters of the blue sea. Brightly coloured bougainvillea peeping out of the corners and olive wines, and sometimes tangerine, decorate the city like streamers of light. This ain’t a peaceful holiday spot but one to party hard!

From being a tiny fishing village that few knew of, Bodrum today is a tourist hot spot! It has pretty beaches, lined with stylish restaurants, unique features like the Underwater Archaeology Museum and a truck load of historical structures. The Mausoleum at Halicarnassus is one of the seven wonders of the world and then there is the Castle of St. Peter. Mighty windmills, boat rides, cruises and the Bar Street, indeed a happy holiday!
