Hangzhou

If a romantic getaway is on your mind, Hangzhou is one of the best bets that you can have. Though it's swarmed by solitary backpackers as well, a date by West Lake, watching the Moon go down its waters, and a perfect dinner in the city makes Hangzhou an ideal holiday spot.

What To Visit

This is one of the most beautiful cities in China, so much so that it often finds way in to some poet’s verses. The shimmering West Lake still holds the same charm that it once had, and tourists often spend hours of silence by its sides. Hangzhou has got much to satiate the culture buff in you, for it served as the capital of Song Dynasty for long.
