Nuwara Eliya

Built during the 19th century, Nuwara Eliya's architecture mimics that of an English country town, country house like hill club, with red-brick walls and mock-Tudor half-timbering. Endowed with splendid views of valleys, meadows, mountains and waterfalls, this well-kept, neat city with lots of greenery and salubrious climate has rightfully earned for itself the name 'Little England'.

Famous For: Nature / Wildlife

When To VISIT

Jan
Cold weather. Carry Heavy woollen, umbrella.
Max: 18.9°C  Min: 9.2°C  Rain: 96.0mm

Feb
Cold weather. Carry Heavy woollen, umbrella.
